

## Buy 2 Cases of KeepIT® Freezer Boxes and Receive 2 Free Cases

WHEATON BioBanking Solutions include color-coded storage and freezer boxes to make your sample storage and tracking solutions customized and easily identifiable. WHEATON KeepIT® Boxes provide an ideal method for the batching and storing of samples. The openings in the bottom of the box facilitate the scanning of either CryoELITE® Vials with 2D Data Matrix Bar Code Inserts or ceramic 2D bar code labeled Cryule Ampules. WHEATON CryoFiles offer water repellent, long-term storage of your samples in a simple, easily-identified color-coded manner.
