

Boots

ProWarrington* Leather Firefighting Boots *Offers superior comfort and protection*

- Military AB leather construction insulates and provides abrasion-, puncture-, water- and chemical-resistance
- External shin guard protects and guards sensitive shins
- Fire/Ice PowerSole* angled lugs provide substantial gripping and edging capabilities
- PowerToe* resists toe abrasion; PowerHeel* protects heel from doffing damage
- Meets NFPA 1971, 2007 ed.
- Also available E and EEE widths
