Helicobacter pylori
Rabbit Polyclonal Antibody
Cat. #RB-9070-P0, -P1, or -P (0.1ml, 0.5ml, or 1.0ml at 200µg/ml) (Purified Ab with BSA and Azide)
Cat. #RB-9070-R7 (7.0ml) (Ready-to-Use for Immunohistochemical Staining)

Description:
*Helicobacter pylori* is known to cause peptic ulcers and chronic gastritis in human. It is associated with duodenal ulcers and may be involved in development of adenocarcinoma and low-grade lymphoma of mucosa associated lymphoid tissue in the stomach.

Epitope: Not determined

Species Reactivity: Must be determined by the investigator.

Immunogen: Purified *Helicobacter pylori*

Applications and Suggested Dilutions:
Analyte Specific Reagent. Analytical and performance characteristics are not established. Optimal dilutions must be established by the investigator.

Positive Control: Must be determined by the investigator.

Storage and Stability:
Store vial at 4°C. When stored at 2-8°C, this antibody is stable for 24 months.

Supplied As:
Affinity purified antibody fraction from rabbit anti-serum. Prepared in 10mM PBS, pH 7.6, with 0.2% BSA and 15mM sodium azide.

or

Prediluted antibody which is ready-to-use for immunohistochemical staining.

Limitations and Warranty:
This product is an Analyte Specific Reagent. Analytical and performance characteristics are not established. The use of this reagent is restricted to clinical laboratories certified to perform high complexity testing under CLIA 88 regulations. Each laboratory must validate the product for its own use. This product is not intended for therapeutic procedures. No claims are made or implied about the diagnostic value of this product. No products are to be construed as a recommendation for use in violation of any patents. We make no representations, warranties or assurances as to the accuracy or completeness of information provided on our data sheets and website. Our warranty is limited to the actual price paid for the product. NeoMarkers is not liable for any property damage, personal injury, time or effort or economic loss caused by our products.
